#### Untold Agony from Catarrh.

Prof. W. HAUVER, the famous mesmerist, of Utica, N. Y., writes: "Some ten years ago I suffered untold agony from chronic nasal catarrh, and said I must die. My case was much a bad one, that every day, towards sunset, my voice would become so hoarse, could not speak above whisper. In the morning on coughing and clearing of my throat would almost strangle me. By the use of Dr. Sage's Catarrh Remedy, in three months, I was a well man and the cure has been permanent."

#### Constantly Hawking and Spitting.

THOMAS J. RUSHING, Esq., 2902 Pine Street, St. Louis, Mo., writes: "I was a great sufferer from catarrh for three years. At times I could hardly stand upright, could not completely swallow, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Luckily, I was advised to try Dr. Sage's Catarrh Remedy, and I have been greatly relieved. It is now the only sure remedy for catarrh now manufactured, and one has only to give it a fair trial to experience astounding results, and a permanent cure."

A complete Treatise on Catarrh, giving valuable hints as to clothing, diet and other matters of importance, will be mailed, post-paid to any address, on receipt of a two-cent postage stamp. Address,
